

**COMMUNITY WATER SYSTEM  
LEAK ADJUSTMENT POLICY  
EFFECTIVE DATE: JANUARY 1, 2006**

**I. Purpose**

The purpose of the Leak Adjustment Policy is to give customers monetary relief from excessively high water usage as the result of a plumbing failure in their home or business.

**II. Policy**

**One leak adjustment in a lifetime will be allowed for each customer per meter location. The adjustment will only be given for one billing period.**

**III. Leak Adjustment Calculation**

¾" meter	Adjustment will be the average of the previous three (3) months billings multiplied by a factor of two (2).
1" meter	Adjustment will be the average of the previous three (3) months billings multiplied by a factor of three (3).
1½" meter	Adjustment will be the average of the previous three (3) months billings multiplied by a factor of four (4).
2" meter	Adjustment will be the average of the previous three (3) months billings multiplied by a factor of six (6).

I do hereby certify that the leak that caused my excessive water usage for which I was billed

\$ \_\_\_\_\_, has been repaired. I understand I will not be eligible for another "Leak adjustment" at this service location.
